

# INTERRUPTION NOTICE

The Kenya Power & Lighting Company Ltd. will switch off Limuru sub station on Saturday 12<sup>th</sup> March 2011, to facilitate the commissioning of modern 11kV switchgear plus 11kV cabling that will improve quality and reliability of power supplied to customers. Efforts will be made to supply power to as many customers as possible from alternative sub stations. However, it will not be possible to supply all customers and some areas will therefore be off supply as shown below.

KPLC regrets any inconvenience that some customers may experience during the operation.
