POWER INTERRUPTION NOTICE

Kenya Power will interrupt electricity supply to Galu Substation in Kwale County on Thursday 28th March 2013, to allow technicians complete ongoing power connection works to Base Titanium Limited, a mining company based in the area.

Arrangements are being made to transfer as many customers as possible to alternative substations and feeders to minimize interruption. Despite these efforts, some customers living in and adjacent to areas shown below will be affected.

The Company regrets any inconvenience that may be caused during the operation.
