

**Kenya Power**

## **INTERRUPTION NOTICE**

**The Kenya Power & Lighting Company Ltd. will switch off Limuru Substation on Sunday 14<sup>th</sup> August 2011, to facilitate the commissioning of a modernized 66/11 kV Limuru Substation that will improve quality and reliability of power supplied to customers. Efforts will be made to supply power to as many customers as possible from alternative sub stations. However, it will not be possible to supply all customers and some areas will therefore be off supply as shown below.**

**Kenya Power regrets any inconvenience that some customers may experience during the operation.**
